About SCAD

SCAD: The University for Creative Careers

The Savannah College of Art and Design is a private, nonprofit, accredited university, offering more than 100 academic degree programs in more than 40 majors across its locations in Atlanta and Savannah, Georgia; Lacoste, France; and online via SCAD eLearning.

SCAD enrolls approximately 15,000 undergraduate and graduate students from more than 100 countries. The innovative SCAD curriculum is enhanced by advanced professional-level technology, equipment, and learning resources, as well as opportunities for internships, professional certifications, and collaborative projects with corporate partners. In 2020, the prestigious Red Dot Design Rankings placed SCAD as the No. 1 university in the U.S. and in the top two universities in the Americas and Europe for the fourth consecutive year. Career preparation is woven into every fiber of the university, resulting in a superior alumni employment rate. According to a recent study, 99% of Spring 2019 SCAD graduates were employed, pursuing further education, or both within 10 months of graduation.
